

Edinburgh schools parents councils

NO MORE CUTS TO OUR SCHOOLS

The Council want to slash schools budgets by 9% and vote on February 11th

Children will lose learning assistants, specialist PE, Drama and music teachers, books and equipment, extra curricular activities and library time - Teachers jobs and our children's education are at risk.

ACT NOW ! Join ALL other schools in Edinburgh, teachers, local politicians outside the **CITY CHAMBERS** on the Royal Mile between **4 and 4.45 pm** on **TUESDAY 9TH FEBRUARY**.

We need **YOU** to join a child friendly celebration of school education highlighting what the kids stand to lose. Spread the word - bring banners, musical instruments, face paints, artwork, sports kit and colourful clothes - make lots of noise and enjoy yourselves!
